§ 277.5 Methods of payment

- (a) This section sets forth FNS methods for authorizing funds for State agencies.
- (b) The "Letter of Credit" (LOC) (SF-1193A) is the document by which an official of FNS authorizes a State agency to draw funds from the United States Treasury. This shall be the preferred method of payment for State agencies which receive at least \$120,000 per year and meet the requirements prescribed in OMB Circular A-102, Attachment J.
- (c) State agencies shall request payment(s) by submitting Request for Payment on Letter of Credit and Status of Funds Report (Treasury Form SF-183) to the appropriate United States Treasury Regional Disbursing Office with a copy to FNS.
- (d) State agencies not meeting the requirements for the LOC method of payment or failing to meet LOC reporting requirements, including those re-

- quiring adjustments to cash balances to liquidate amounts owed to FNS, shall be provided funds by Treasury check in accordance with the provisions of Department of the Treasury Circular 1075.
- (e) Payments for proper charges incurred by State agencies will not be withheld unless such payments are suspended or disallowed pursuant to §277.16. When a payment is withheld, payment adjustments will be made in accordance with §277.16. When FNS collects an indebtedness, whether due to a disallowance or an offset for amounts which the State agency has been billed but which it has failed to pay without cause acceptable to FNS, FNS shall provide reasonable notice to the State agency, and shall require appropriate accounting adjustment to cash balances for which the State agency is accountable to the Federal government to liquidate the indebtedness.

§ 277.6 Standards for financial management systems.

- (a) General. This section prescribes standards for financial management systems in administering program funds by the State agency and its subagencies or contractors.
- (b) Responsibilities. Financial management systems for program funds in the State agency shall provide for:
- (1) Accurate, current, and complete disclosure of the financial results of program activities in accordance with Federal reporting requirements.
- (2) Records which identify the source and application of funds for FNS or State agency activities supporting the administration of the Program. These records shall show authorizations, obligations, unobligated balances, assets, liabilities, outlays and income of the State agency, its sub-agencies and agents.
- (3) Records which identify unallowable costs and offsets resulting from FNS or other determinations as specified in §277.16 and the disposition of these amounts. Accounting procedures must be in effect to prevent a State agency from claiming these costs under ongoing program administrative cost reports.
